If you want a more detailed explanation of your penalties and interest, please call the telephone number listed on the top of this notice. You may call your local IRS telephone number if the number shown on your notice is a long-distance call for you. All days mentioned in the paragraphs below are calendar days, unless specifically stated otherwise.

Penalties: \$101.60

07 Paying Late \$101.60

We charged a penalty because you paid your taxes late. We count part of a month as a full month. If you disagree with this penalty, see "Removal of Penalties" in this notice. To avoid this penalty in the future, you should pay your taxes by the due date. Even if you have an extension to file your tax return, you do not have additional time to pay your tax.

(Internal Revenue Code section 6651 (a) (2))

The table below shows how we figured your penalty. We multiplied the number of months times the monthly rate (1/2 percent) times the principal (not to exceed 25%).

Date	No.	Months	Rate/Month	Principal	Penalty
08/15/2011		04	0.50%	5,080.00	101.60
			Total	Penalty:	101.60

Removal of Penalties

The law lets us remove or reduce penalties if you have reasonable cause or receive erroneous written advice from IRS.

Reasonable Cause

If you believe you have an acceptable reason why IRS should remove or reduce your penalties, send us a signed explanation. After we review your explanation, we will notify you of our decision. In some cases, we may ask you to pay the tax in full before we reduce or remove the penalty for paying late.

Erroneous Advice from IRS

We will remove your penalty if all the following apply:

- 1. You asked IRS for advice on a specific issue,
- 2. You gave IRS complete and accurate information,
- 3. You received advice from IRS,
- 4. You relied on the advice IRS gave you, and
- 5. You were penalized based on the advice IRS gave you.

To request removal of the penalty because of erroneous advice from IRS, you should do the following: (1) complete Form 843, *Claim for Refund and Request for Abatement*; and (2) send it to the IRS Service Center where you filed your return.

Interest \$56.54

09 Interest

We charged interest because you did not pay your tax on time. Generally, we calculate interest from the due date of your return (regardless of extensions) until you pay your tax in full. The interest rate is variable and may change quarterly. We charge interest on all penalties except estimated tax penalties.

(Internal Revenue Code section 6601)

The table below shows how we figured your interest. We multiplied the factor times the principal.

From Date	To Date	Days	Rate	Factor	Principal	Interest
04/15/2011	07/25/2011	101	4.0% 0.	011129362	5080.00	56.54
				Total	<pre>Interest:</pre>	56.54

Corporate Interest - We charge additional interest of 2% if, according to our records, you didn't make your corporate tax payment within 30 days after the IRS notified you of the underpayment of tax. This interest begins on the 31st day after we notify you of the underpayment on tax amounts you owe over \$100,000, minus your timely payments and credits.

19 Interest - Additional Interest Charges

If the amount you owe is \$100,000 or more, please make sure that we receive your payment within 10 work days from the date of your notice. If the amount you owe is less than \$100,000, please make sure that we receive your payment within 21 calendar days from the date of your notice. If we don't receive full payment within these time frames, the law requires us to charge interest until you pay the full amount you owe.
