What you need to know

You owe a shared responsibility payment (SRP) because one or more members of your tax household didn't have minimum essential health coverage, per Internal Revenue Code Section 500A. The SRP amount that you owe is not subject to a Notice of Federal Tax Lien filing, a levy on your property, or the failure-to-pay penalty. However, we charge interest on unpaid SRP balances. We may also apply your federal tax refunds to the SRP balance until it is paid in full.
